

# PW Select November 2014: New Titles from Self-Publishers

Nov 21, 2014

[Comments](#)

Booksellers, publishers, and agents are encouraged to take a look at the listings of 65 self-published books below. Some of these authors are waiting to be discovered; others have a track record and a following and are doing it on their own.

## Health/Diet/Parenting

Surviving Cancer: Our Voices and Choices; A Collaboration

Marion Behr, illus. by Marion Behr. WWH Press. \$20.95 paper (268p), ISBN 978-0-615-85600-1

[Amazon](#)

Seventy authors, including doctors and survivors, trace a journey through cancer. For those just diagnosed, the book answers the eternal question “what now?” Illustrated by sculptures made from radiation cradles.
